Consents

Consent to Bill/Collect Insurance: I consent, if I am using a third party for payment of my services (health insurance, auto accident insurance, worker's compensation insurance, Parent/Guardian, etc), to allow Thrive Chiropractic Group to submit all necessary information needed to receive payment for the services I received to these third parties. I further consent to accept assignment of payments from my insurance company to be paid directly to the clinic or doctor. I also consent to allow Thrive Chiropractic Group to retrieve my insurance benefits. If my case is an auto accident, this would include coverage amounts for the accident as well as medpay/UIM coverage and/or canceled checks proving payment was provided. I understand that I am fully responsible for any balance for services rendered. I also understand that if payment is denied by the above-mentioned parties, I will be personally responsible for the full amount charged for all services rendered.

<u>Consent to Examination and Treatment:</u> I give the doctors and staff of Thrive Chiropractic Group permission to perform all examinations, x-rays, and treatment deemed necessary by the doctor. I understand that some of these procedures may be performed by either the staff or the doctor.

<u>Consent to Retrieve Medical Records:</u> I give the doctors and staff of Thrive Chiropractic Group permission to obtain any and all medical records from other providers, offices or hospitals which may assist with my care.

HIPAA: A copy of the full Health Information Privacy Policy for our clinic can be requested at our front desk. In brief, it states that we will not give any information about you except as consented to above. The only people we give information to are parents/guardians (if you are a minor) or whomever is responsible for your bill (i.e. insurance company, third party, or attorney if you have one). Please list anyone else you'd like to have access to your records:

<u>Clinical Summary Report (CCR):</u> I understand that a clinical summary report is created after each visit for the purpose of EHR and is available for my review. At this time, I am asking Thrive Chiropractic Group to save these electronically for me and not print them out after each visit. I understand that, upon written request, these reports are available to be printed or emailed to me for review within 72 hours.

<u>Public Display of Reviews:</u> I understand that, if I leave a text or video review for Thrive Chiropractic Group, that they may display this review on-line in a public forum. I give permission for Thrive Chiropractic Group to utilize my video or text review in their digital and on-line marketing campaign. By signing below, I consent to the public use of reviews for Thrive Chiropractic.
